in the Exhibit Hall*

**T**raining is for all professionals and is an ongoing event, whether you are the trainer, the primacy agency, the village professional, the owner, the administrator we all need to continue our education. Be sure you make education your top priority.

Be sure to join us this coming May 2004 at the

Hudson Valley Resort in Kerhonkson to celebrate 25 Years of Protecting and Conserving Rural Water Resources, the NYRWA Annual Technical Conference come learn with us. 🔥
