

ATV Giveaway at 2010 Technical Conference

by Pat Scalera,
CEO

Okay, for all you ATV lovers, NYRWA has purchased a 2008 Yamaha Grizzly ATV 350cc IRS 4-wheeler to give away at the upcoming 31st Annual Technical Conference. This prize will be awarded to one of our attendees, but you must be pre-registered for the full conference and be present at the drawing on Wednesday at the conclusion of the luncheon in the Exhibit Hall to participate. So be sure to be a full pre-register attendee for the NYRWA 2010 Annual Technical Conference by May 14, 2010 to have a chance at walking away (or driving away) with this new machine, sponsored by our 2010 vendors. This ATV will be displayed throughout the conference in the Exhibit Hall, so stop by to see it. All taxes, tags, etc. are at the expense of the winner and the winner will be issued a 1099 for the cost of the ATV.

Here's how it will work: If you pre-register for the conference as an attendee, you will receive a special ticket with your name badge. You must be present to win at the luncheon on Wednesday in the Exhibit Hall. As you enter the exhibit hall for lunch, one of the NYRWA staff will be collecting these special tickets and the drawing will take place at the end of the luncheon. Again, you must be present to win!!

Your chances are excellent, so be sure to include our conference in your future plans. Look for registration to open up in February. Flyers will be in the mail to you. We thank all the vendors for their generosity in supporting this giveaway.

So much to look forward to at the Turning Stone Resort in Verona, NY this May. The Conference will be packed with interesting sessions, excellent speakers, and plenty of time for networking with your peers from across the state. There will be over 100 vendors displaying their products and services Monday through Wednesday.

The Laboratory classes will again be offered this year at the conference but you must register for the lab class early to guarantee a place, so watch for more information on this.

We are happy to continue with the Dine Around for dinner on Monday and Tuesday nights at the Turning Stone, where you can choose from many excellent restaurants within the facilities. You can go to their

website at <http://www.turning-stone.com> and see all the amenities this facility has to offer including menus at their restaurants.

Plans are well underway to make the 2010 Conference one of our very best ever. We look forward to seeing you there and you never know, you could be the new owner of an ATV.

See you soon and we wish all of you a safe and happy holiday season. ♠
